This is a much better photograph of our landscape workers employed by the Aboriginal Education Consultative Group. Matthew, Anthony, Jason and Steve from T.I.D.E. have returned to complete more work on our landscaping area and bush tucker garden. Some more mulch has been delivered and everything is taking shape beautifully.

Principal's Message

Dear Parents, Carers and Community Members,

Parent Workshops with Bernadette Gammon - Our next parent, carer and community member workshop will be this Friday 26 October at 9:00am in the library. A cup of tea and biscuit will be ready for you. Come along and join us. The feedback from the last two workshops has been very positive.

National Partnerships Evaluation 2012 and School Plan 2013 - I would like to invite any interested school community members who would like to be part of the consultation process around these two documents to contact me and we will make a suitable time. We will be looking at the information, data and results we have collected regarding this year's programs and strategies as well as planning our way forward for next year.

Indigenous Sport & Recreation Small Grants Program - I have received some information regarding grants that are available. If you are interested please contact me and I will forward the applications and information on to you.

Kindergarten 2013 Orientation Days - We will be hosting the next opportunities for our new kindy students to get to know more about school life in Week 9, (Monday 3 December to Friday 7 December).

As part of the next phase Mrs Gilchrist will invite each child along to sit one-on-one with her so she can make some assessments. All new kindy students can come along each day during that week from 10:00am to 12:00pm. They will need to make sure they have a snack for recess and a drink bottle as well as a hat for play. The individual assessment sessions will occur for the hour prior to and following the 2 hour orientation time. Mrs Gilchrist will contact each family to make a suitable time. We can't wait to see all our new students again.

Whole School Swimming and Stage 3 Excursion Programs - A reminder for all families to make sure they complete paperwork and payments as soon as you can. If you have any problems or concerns please come and see me.

*Kind regards,
Christine Wild*
