Monique Davis-Marr

Class Awards—Laralee Field and Casey
Fletcher
Fast Maths—Aaron Moore

Dear Parents, Carers and Community Members,

The year is off to a flying start at a giddy pace.

Personalised Learning Plans and 3 Way Conferences

This very successful program will take place during Week 5 this term. Notes and suggested appointment times will be going home soon. The dates are Tuesday 27th Feb and Wednesday 28th Feb. As always we will make times as convenient as possible and have appointments that follow on if you have more than one child in more than one class. We have included a return slip so you can indicate times that are most suitable. Please return this by Friday so we can organise the timetable.

Swimming Carnival

We had a fantastic day yesterday and the girls and boys participated and competed with great sportsmanship and enthusiasm. We will be sending a very large team to the next carnival which involves our local small schools. Notes go home today and need to be returned TOMORROW so we can organise transport. If you can assist with transporting our team we would be very appreciative.

Reading Eggs, Mathletics and Spellodrome

The school has purchased licenses for these programs which can be accessed from home to assist students with practice of their basic skills and a fun and interesting way to enhance their reading, maths and spelling skills. Each child has a password and has a tag they can keep at home with this information on it.

Kind regards,

Christine Wild

Principal's Message

EXPO Evening—Chatham High School

Save the date - 27 February

This EXPO is to showcase Chatham HS to parents, carers and children from Years 3 to 7.

This will be a valuable evening for parents, carers and children to experience various aspects of the school and to see sample lessons, etc. Our Hospitality Extension class will put on a wonderful feast for everyone to enjoy. Luka Lesson (Slam Poet) and the students will put on a great show. Invitations will be available soon.
