

# Lansdowne Public School

Weekly Newsletter Number 3  
Tuesday, 19 February 2013

*Members of the Breakfast Club Committee, Charlie Wares, Tyler Potts and Alkira Roberts serving pancakes with maple syrup for breakfast. Watch out Maccas, I think we have future restaurateurs!*

**Dear Parents, Carers and Community Members,**

I have caused some confusion.....

## **Personalised Learning Plans and 3 Way Conferences**

Please accept my sincere apologies for mixing up the days of the 3 way conferences in last week's newsletter. I had the correct dates but against the wrong days.

The conferences are on WEDNESDAY 27<sup>TH</sup> FEB and THURSDAY 28<sup>TH</sup> FEB.

If you responded to the request for a preferred time we have taken this into consideration when formulating the timetable. If you didn't we presumed any time would suit and have also allotted a time for you. Please RETURN the slip to let us know you have received your time and you can make it. Of course if this is not suitable for any reason, contact us and we will make another appointment. We have in the past few years been able to meet with every family. This is a VERY valuable and precious time that can have a huge impact on your child's educational experience and success. All students are eagerly completing their personalised learning plan over the next few days and we hope to send a copy home before the conference so you can have a look and bring along your thought for discussion.

## **District Small Schools Swimming Carnival**

By all accounts a very successful day. Thank you to Mrs Gilchrist and Ms Richardson for accompanying our team. Mrs G reported that high levels of participation, sportsmanship and team effort were the order of the day from our girls and boys. Thank you to our families that assisted with transport and got all 26 students safely there and back. Kyle and Emily have now qualified for the zone carnival in a couple of weeks. Good luck!

## **P & C**

Our first meeting is this Thursday at 9:30 am. Everyone is most welcome.

## **Scripture**

This program starts this week. 56W will be having their session before recess while the other 3 classes will have their lessons at 11:30 am. We have a combined church service organised for later in the term.

# Principal's Message

## Professional Learning

Classroom teachers are undertaking on-line learning on Friday mornings. We are currently focussing on change in the skill set students will require in the 21<sup>st</sup> Century. It is a great opportunity for us to work and collaborate as a team. The students are involved in sport, personal development, library and HSIE or Science with their release teachers. The concept seems to be going well at this stage.

Hard to believe it is already week 4. Enjoy the week as it flies by!

Kind regards,

Christine Wild
