## *Principal's Message*

*Dear Parents, Carers and Community Members,*

***Small Schools District Athletics Carnival*** - The weather was not on our side last Friday and this carnival had to be postponed until tomorrow. The weather could still be an issue and we won't know until tomorrow morning if there needs to be another postponement. Please listen to the radio MAXFM and 2RE to hear if the carnival is called off. There were some excited then very disappointed students last Friday. It is important that all students accept that if a school activity or excursion is postponed then they need to come to school to continue their learning programs. I will be stressing this point with all students and I thank you for supporting me in this.

***Stage 3 Wednesday Fundraising Lunches*** - This week we will be serving "crusty nachos" on Wednesday and Thursday to cater for those students who may be at the athletics carnival and don't want to miss out on this new taste sensation. Again, unbelievably the cost remains at \$2.00

***University of Newcastle Discovery Day*** - We had the most wonderful day with family and students. I would like to sincerely thank our family members who joined us for the day. Our students once again displayed the highest standards of behaviour and engagement.

***Small School State Soccer Knockout*** - A big day for our students, families and Mr Price. The defeat in the first round by a very strong Barrington team was followed with a victory in the second game. A big effort in a very busy week. Our team will now regroup ready for their small school Soccer Gala Day on Friday. Notes have gone home today and need to be returned tomorrow please.

*Kind regards, Christine Wild*
